

John A. Zuccaro

John A. Zuccaro, Manager, Global Supply Chain Operations, Lockheed Martin Space Systems Company (LMSSC)

John A. Zuccaro is the Manager of Global Supply Chain Operations for Lockheed Martin Corporation's Space Systems and is responsible for Procurement Operations and Subcontracts in the Washington DC metropolitan area supporting DOD and Intelligence Community customers. Mr. Zuccaro has over thirty years of progressively responsible procurement management experience in the federal/prime contractor sector and has managed division-wide Purchasing and Procurement Operations, Subcontracts, Contract Compliance, and Small Business Subcontracting programs. He has earned lifetime accreditation as a "Certified Purchasing Manager" from the Institute of Supply Chain Management. Prior to Lockheed Martin, he was employed by GTE Government Systems, Computer Sciences Corporation, Microwave Associates and Fairchild Industries.
