

## Spirit of Free Enterprise AWARD WINNER

United Solutions, LLC is a progressive digital transformation company that makes amazing technology with speed, agility, and precision. They are building technology to reinvent management, reimagine workforce, and rethink how business and government work together to create social impact. Earlier this year, they launched bubblee™, the world's most revolutionary window into innovation and creativity within a local ecosystem.

United Solutions, LLC mission is to unleash the magnificence of every human being and bring joy to the entrepreneurial experience.

Founded in the Washington, D.C. area, bubblee™ empowers creative, trailblazing, and performance-driven pioneers to showcase their brilliance online, connecting the vision to the market. bubblee™ also identifies and provides opportunities for entrepreneurs, who make up the backbone of the economy.
