

## 2021 VIP Golf Tournament Rules of Play & Raffle

### Rules of Play (established by MCCCCF)

---

**Rules for Scramble format** – Every Player hits a tee shot, you pick the best tee shot from the group and every player picks up their ball and plays their second shot from that position. Once every player hits a second shot the team will choose the best second shot and all the players will play their third shot from that position. You will continue this format until the ball is holed. When it is your turn to play, you may place the golf ball, but you must stay within one club length of the ball your team chooses. Your Team will write down the **gross team score**.

- **Scores:** Max Score is **Bogey** per foursome, pick up after that.
