Dear Councilmember Katz,

On behalf of the Montgomery County Chamber of Commerce's Board of Directors and members, thank you for your service as Council President over the last year.

This unprecedented year brought much turmoil and uncertainty to our County, State, and region; your steadfast, disciplined, and responsive leadership of our County Council was greatly appreciated. We specifically appreciate, as a small business owner yourself, your understanding of the needs of our businesses during the COVID-19 global pandemic.

Again, thank you for your steady leadership as Council President. We look forward to continuing our work together to ensure the strength and success of our County. Please do not hesitate to reach out if we can ever be of assistance.

Warm regards,
